**KEEP
WALKING!
AND KEEP
LOOKING UP!**

“God has given us a conscience to help us know when we are not right, but he has also given us himself to get right, to keep walking toward him. He is not waiting for failure on our journey, to pounce on us like a lion (though he is far more powerful than the mightiest of lions). He is waiting with grace and compassion, to walk with us and hold us when we stumble. He WANTS us to keep walking.”
